DETAILED ACTION

Election/Restrictions

Applicant's election without traverse of invention of Group I-A, claims 1-4, 6-12 and 38 in the reply filed on 12/22/2005 is acknowledged.

Claims 5, 13-37 and 39-42 have been withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected Group II, I-B and I-C, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on 12/22/2005.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Specification:

Replace the title of invention with: -- A METHOD MAKING A CUTTING DISK INTO OF A SUBSTRATE --.

In the claim:

Claim 1 has been amended as follows:

In claim 1, the phrase -- generally opposite -- has been inserted after "the second" (line 7).

The above is necessary to correct a mere informality and does not affect the scope of the claimed invention.

Reasons for Allowance:

The following is an examiner's statement of reasons for allowance: the prior art does not teach all of the limitations of the claim invention including:

- first directing abrasive particles toward a first portion of a second generally opposite surface of the substrate to remove substrate material; and
- after the first directing, second directing abrasive particles toward a second different portion of the second generally opposite surface of the substrate to remove additional substrate material, wherein the first directing and said second directing, in combination with the making a cut, form a slot.

Accordingly, claims 1-4, 6-12 and 38 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
